

A new learning platform designed to make your BNI experience simpler and more effective.

## What is BNI<sup>®</sup> Academy?

BNI<sup>®</sup> Academy is BNI's new learning platform, designed to support a simpler, more reliable, and more consistent learning experience. It will **replace BNI Business Builder** and serve Members, Directors, and Leaders across all regions.

This is more than a name change — BNI Academy is a new system built to better support how our global community learns and grows.

BNI Academy was developed in response to feedback from Members and Directors who asked for:

- Easier navigation and faster access to learning content
- A more reliable and consistent platform
- A clearer, more modern learning experience

### What is Changing?

- BNI Business Builder will be fully replaced by BNI Academy
- The platform will feature a new, more intuitive design
- Tutorials and guidance will be available to support users at launch

### What is Staying the Same?

- Login through **myBNI.com** (no new username or password required)
- Access to learning based on role
- Course completion history will carry over
- Essential training content will be available at launch

### When is this Happening?

**Training Access Blackout Period:**  
February 7 - 15, 2026

**BNI Academy Launch:**  
February 16, 2026

### What Do Members Need to Do?

No additional action is required before launch

Complete any in-progress training before the blackout (February 7 - 15) or continue in BNI Academy after it launches on February 16 - all completed work will transfer automatically.
