Re: BNI's Business Booster Series

BNI's Business Booster Series offers twice-weekly webinars designed to support Members with business continuity tips and personal & professional connectivity. This program is draft and will evolve and improve over time to better serve your needs.

Over the next 45+ days, BNI's Global Support Team will host 50-minute webinars open to all BNI Members globally. We'll have 30 minutes of presentation followed by 20 minutes of open Q&A for those on the line to interact directly with the presenter. The presentation sections of these webinars will be recorded and made available to all BNI Members on BNI U. Live participation registrations space is limited, so be sure to register early for the sessions you'd like to attend using the links below.

Content is curated to aid Member engagement and help you get the most out of you BNI Membership as Chapter meetings have moved to the bni online™ format. Topics will range from BNI-specific content leveraging online platforms to general business management tips and guidance on sustaining business during this time for our professional community of BNI Members.

So how can you get the most out of these webinars? Here are a couple action items that will help lead to your increased success. With each webinar, be sure to complete the following steps to get the most out of the session:

1. Register for the webinar using the links above and mark your calendars for the date and time.
2. Have an open notebook and pen with you during the session to take notes.
3. Come prepared with questions on the topic to ensure you get your questions answered.
4. Follow up with the webinar recording on BNI U to revisit any of the topics covered and share with your fellow BNI chapter members.

We will send reminders each week to BNI Members globally for that week's topics and registration links as well – be sure to carefully review BNI Alerts, BNI Wires and other messaging from BNI Global.

More than anything, BNI is committed to helping you bolster your business at this time and set yourself up for the best possible outcome. We hope these webinars are just one way to help you find success – big or small – during this time.
